

# ARKCA CORPORATE

YOUR PARTNER IN EXCELLENCE

# INTRODUCTION

ARKCA Corporate is a professionally managed consulting and compliance organization dedicated to simplifying complex business, financial, and regulatory challenges. With a strong pan-India presence and a team of over 200 experienced professionals, ARKCA delivers integrated solutions that help businesses operate efficiently, compliantly, and sustainably.

Headquartered in Delhi, ARKCA Corporate functions as a one-stop destination for companies seeking dependable support in import-export regulations, taxation, licensing, certifications, environmental compliance, and corporate advisory services. Our approach combines technical expertise, ethical practices, and a deep understanding of regulatory frameworks to create long-term value for our clients.

## Vision

Our mission is to enable businesses to operate with confidence, clarity, and compliance in an increasingly complex regulatory environment. We strive to deliver end-to-end corporate, financial, and regulatory solutions that are accurate, timely, and aligned with evolving statutory requirements. Through a client-centric approach, ARKCA Corporate aims to reduce compliance burdens, mitigate regulatory risks, and enhance operational efficiency for organizations of all sizes. We are committed to upholding the highest standards of professional ethics, data security, and accountability.

## Mission

- Deliver high-value solutions
- Promote sustainability and responsible business practices
- Develop technology that enables smoother operations
- Build long-term partnerships with clients

At ARKCA, we believe true business success is measured not just by profit margins, but by the positive, measurable impact we have on our clients' compliance, operational efficiency, and the sustainability of our shared environment. We build businesses that last, and a future that thrives

ACHIEVE

**30,000+**

successful EPR  
registrations and filings  
annually

Maintain a compliance  
accuracy rate of

**99.9%**

Reduce client

compliance  
turnaround time by

**40%**

# LOCATIONS, PRESENCE & TEAM STRENGTH

## OUR GLOBAL REACH

ARKCA Group maintains a strategic presence across India, positioning us close to key markets and talent pools. Our primary operating locations include:

- Delhi (NCR): Serving as a major hub for corporate compliance and digital strategy.
- Kolkata: A center for technology development and specialized software solutions.
- Gujarat: Key for industrial operations, including recycling and sustainable practices.
- Mumbai: Our financial and trading nerve center.
- Guwahati: Expanding our reach into the Northeast, supporting localized initiatives.

## TEAM STRENGTH

We are powered by a dedicated and growing force of 200+ professionals, forming a critical mass of diverse talent across our strategic locations. This figure represents not just a headcount, but a critical reservoir of domain expertise and specialized skill sets essential to managing our diversified operations. ARKCA leverages its team to not only meet the immediate needs of businesses but also to innovate for long-term impact and value creation.

## CULTURE

At ARKCA Group, we understand that our people are our greatest asset. Our work culture is built on the belief that valuing and investing in our employees is paramount. We strive to create a professional and supportive atmosphere by ensuring a healthy work environment with good, comfortable workspaces that promote focus and collaboration. Critical to our culture is a strong emphasis on skill development; we provide continuous training, mentorship, and opportunities for professional growth, ensuring our 200+ professionals remain at the cutting edge of technology and compliance.

Fundamentally, we look beyond daily tasks; we are dedicated to employee well-being and believe our collective efforts—empowering industries through responsible practices—work towards changing lives, reinforcing our shared purpose and making every team member an integral part of ARKCA's long-term impact.

## USED OIL WASTE

- Registration under Used Oil EPR category
- EPR plan submission and CPCB approval
- Compliance with used oil recycling and reporting norms

# CERTIFICATIONS & LICENSING

In today's regulated business environment, certifications and statutory licenses are not merely formalities—they are critical enablers of market access, legal compliance, and brand credibility. ARKCA Corporate provides end-to-end assistance to businesses in obtaining, maintaining, and renewing a wide range of national and international certifications and licenses. Our structured approach ensures accuracy, timeliness, and full adherence to applicable regulatory frameworks.

## Comprehensive Certification Support

ARKCA assists organizations across industries in securing mandatory and voluntary certifications that demonstrate compliance, quality assurance, and operational readiness. Our services include, but are not limited to:

### **BIS Certification**

for products regulated under Indian Standards, ensuring conformity with safety and quality norms.

### **ISO Certifications**

(such as ISO 9001, ISO 14001, ISO 45001, etc.) to help organizations establish robust quality, environmental, and occupational health management systems.

### **FSSAI Registration and Licensing**

for food businesses, covering manufacturers, traders, importers, and exporters.

### **SPICEBOARD**

to regulate and promote the export of 52 scheduled spices (like pepper, cardamom, turmeric, ginger, and cumin) from India to international markets.

### **APEDA REGISTRATION**

for agricultural and processed food exporters to enable participation in international trade.

### **MSME / UDYAM REGISTRATION**

to help businesses avail government benefits, subsidies, and financial incentives

### **CEPA & OTHER TRADE-RELATED CERTIFICATIONS**

supporting cross-border commerce and regulatory acceptance.

# BUSINESS SETUP & COMPANY FORMATION

ARKCA Corporate provides end-to-end support for setting up businesses in India, ensuring a strong legal foundation, regulatory compliance, and operational readiness from day one.

## Our services include:

- Incorporation of Private Limited Companies, LLPs, OPCs, Partnership Firms, and Section 8 Companies
- Advisory on entity selection, capital structuring, and ownership models
- PAN, TAN, GST, MSME, and Startup India registrations
- Drafting of MOA, AOA, LLP Agreements, and statutory documents
- Support for post-incorporation compliances and ROC filings

## Our value proposition:

- Single-window solution for complete business setup
- Faster incorporation through accurate documentation
- Reduced compliance risk and regulatory delays
- Ongoing advisory support for growth and restructuring

## Supporting Growth from Day One

By partnering with ARKCA Corporate for business setup and company formation, clients benefit from a single-window solution that reduces complexity, saves time, and ensures regulatory clarity. Our objective is to build a strong compliance framework at inception, enabling businesses to scale confidently and sustainably.

# Financial Services

Effective financial management and statutory compliance are critical to business stability, risk mitigation, and sustainable growth. ARKCA Corporate offers comprehensive financial and taxation services designed to ensure regulatory compliance, financial transparency, and operational efficiency for businesses across sectors.

## Taxation and Statutory Compliance

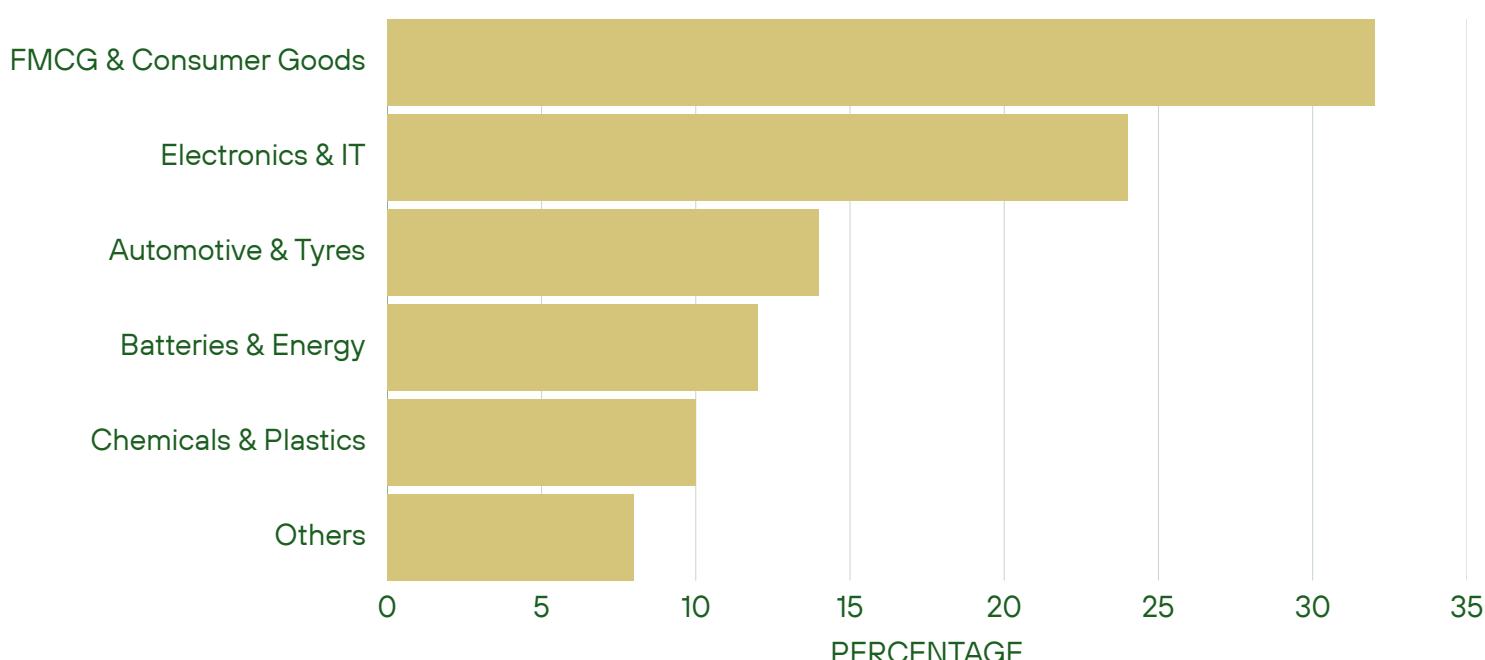

- GST Registration, Return Filing, and Advisory, covering monthly, quarterly, and annual compliances
- TDS Compliance, including calculation, filing, challan payments, and reconciliation
- Income Tax Filing for individuals, firms, LLPs, and companies
- Advisory on tax applicability, exemptions, and regulatory changes

## Audit, Assurance, and Reporting Support

- Statutory audit support and coordination
- Tax audit assistance and documentation
- Compliance reviews and internal checks
- Preparation and review of financial statements and disclosures

## CLIENT DISTRIBUTION BY INDUSTRY

# REGULATORY APPROVALS & NOCS

Navigating regulatory approvals and obtaining statutory No Objection Certificates (NOCs) are critical for businesses operating in regulated sectors and cross-border trade. ARKCA Corporate provides expert guidance and end-to-end support to ensure timely approvals, regulatory alignment, and seamless coordination with government authorities.

## Our services include:

- Approvals and authorizations from **DGFT, MoEF&CC**, and other authorities
- **Steel Import NOC** and sector-specific import-export clearances
- Documentation, submission, and regulatory liaison
- Query handling and approval tracking

## Client benefits:

- Faster approval timelines
- Reduced regulatory risk
- Seamless coordination with authorities

# WEB HOSTING

## Expanding Horizons in Compliance & Technology

ARKCA Corporate brings Web Hosting & Solution Services. We help MSMEs across India achieve seamless regulatory adherence while building robust digital presence through reliable hosting, domain management, and tailored web solutions.

### **Pan-India Service - Client-Focused - Future-Ready**

From CPCB EPR registrations to secure, scalable websites – one trusted partner for your compliance and digital growth needs.

### **Web Design & Development Excellence**

ARKCA Corporate delivers custom web design and development services alongside our EPR compliance expertise. We create responsive, SEO-optimized websites that reflect your brand while ensuring fast performance and mobile compatibility for MSMEs across India.

### **High Performance & Security**

Fast-loading, secure, and scalable websites that support business growth and protect digital assets.

# ARKCA vs OTHERS

In a regulatory environment where accuracy, speed, and accountability are critical, choosing the right compliance partner makes a measurable difference. The following comparison highlights how ARKCA Corporate stands apart from conventional service providers across key operational, compliance, and service delivery parameters. This visual representation demonstrates ARKCA's scale, expertise, and performance-driven approach in comparison to industry norms.

## OTHERS

Fragmented, service-specific providers

## ARKCA

End-to-end, single-window compliance partner

## OTHERS

Limited or single-category expertise

## ARKCA

Dedicated EPR specialists across all waste categories

## OTHERS

Basic or undefined controls

## ARKCA

Strict access control & monitored data flow

## OTHERS

Limited or chargeable

## ARKCA

Ongoing compliance & renewals
